

Nova Lumberjacks Society

Application for funding

The Nova Lumberjacks Society (NLS) Athlete travel support program is delivered in partnership with Axe to Grind Foods. For 2024, all funding through this program is dedicated to support axe throwers, who are residents of the maritime provinces (NB, NS, PEI) who are travelling to compete at the 2024 World Double-bit Axe Throwing Championships being held in Thirsk, England.

If awarded funds, we ask you to please recognize *both* Nova Lumberjacks Society and Axe to Grind Foods for the support through your social media channels by tagging us in posts related to your competition travel. We also ask that the official NLS and Axe to Grind logos be used when branding (apparel, banners, etc.).
